President's Message

President,

917-577-3737

Submitted by Paul Roy,

pauldenisroy@aol.com

The Barbara Capsouras November 12 member kick-off event had lots of tricky tray prizes. It was a huge success with 85 people attending at the Exchange (compared to 95 last year). This event is a big fundraiser for the Club (\$1,500 compared to \$1,375 last year) and the Lodge (the 50/50 raised \$392 compared to \$430 last year). The Club owes Barbara a huge THANK YOU for her foresight, planning and drive to make this event work. Thanks also to the many members who volunteered to check-in members, set up the table, pull winning tickets and hand out the prizes, including Carol Cooney, Dale Pierson, Jackie Spurr and Linda Burns (who also organized the Food Pantry collection).

With so many members attending, the Club met the by-laws requirement to have valid member voting on two open Lodge Trustee positions. Congratulations to Nancy Mathiesen and Jack McDevitt, and thanks to Tom Jarick for running too. The Lodge is now fully staffed with 10 Trustees, and with the recent monthly work weekends, the place is definitely ready for lots of member and guest visits!

Our Club now has well over 300 members including about 10% brand new members. October 31 was the deadline for regular membership renewals. After October 31, you have to pay a little more - but of course your renewal is still welcome. Thanks to Carol Cooney for helping all members enroll and to Jason Briggs for keeping up the Club's extensive social media presence. With all the membership renewals coming in, the Club's bank account is solid at about \$60,000.

The Club is running two ski trips in early 2025. With 20 headed to Colorado and 43 going to Italy, the trips are very well attended. Thanks to Nina Tudorowsky and Cliff Gawel for making these trips a big success! The New Jersey Ski & Snowboard Council has interesting winter trips coming up too (see their website).

Once again this winter, thanks to the New Jersey Ski and Snowboard Council, Club members can purchase one-day vouchers to Killington and Pico. The Killington voucher has black-out dates and is up to \$132 from \$119 last year - still a bargain compared to "retail" rates. The Pico voucher does not have black-out dates and the price is \$70, same as last year. Note that Pico is not open 7 days per week. Bob Zega will announce the voucher purchase program soon.

LODGE REPORT

On behalf of the Lodge Committee I hope you and your family had a wonderful Thanksgiving celebration. The Committee is extremely grateful for every High Life member (and their guests) who visited the Lodge, contributed at a Work Weekend, or participated in one of our fundraisers or special events. The Lodge is in prime shape and is ready for a memorable 2024/25 winter season. With some early-season chill and snow, Killington is already open and Sugarbush plans to have lifts spinning on December 1st. The Committee is looking forward to its place in your winter experience.....we can't wait to see you at the Lodge!!!

At the November Kickoff meeting a special election was held to fill the vacant Lodge Committee positions. We are very excited to welcome Nancy Mathiesen and Jack McDevitt to the Committee. We are very excited to have a "full squad" again....and we hope that all High Lifers will enjoy the contributions and style of our new "House Moms." Congratulations to Nancy and Jack!

Regards to High Lifer Tom Jarick who also threw his hat into the ring. We thank you for raising your hand to volunteer!!

Now that we have a full compliment of House Moms, the full winter schedule has been published. Look for it in this copy of the Sitzmark and under the Lodge tab of the Club Web Page (www.highlifeskiclub.org). The schedule also has our special event and family weekends highlighted. Start making your plans now for our New Years, Super Bowl, or St. Patrick's parties or our popular SnowShoe weekends!!

The final Lodge Work-Weekend was held November 15-17 th. A crew of twenty High Lifers did some major cleaning and preparation for the winter season, enjoyed a great dinner from Carol and Chris, and relaxed with some tasty cocktails from Kerry! Our own John Wajda arrived early to put some opening day turns on his Beast Pass.

The Committee would like to again thank everyone who contributed to our Work Weekends. This edition of the Sitzmark contains a tribute from Donna Long for everyone who attended a weekend this year. We had several folks who were 4x participants....and our own Ken Chodkiewicz recorded 5! Thank you!!!

The Lodge is once again hosting a New Year's Eve celebration. Enjoy some wonderful early-season turns, catch some fireworks at Killington, and toast 2025 over food and fun at the Lodge with your High Life friends! Signups for the party will begin at the December 10 th Club meeting. Can't make the meeting? Call or email Dave Young beginning December 11 th (youngdavid020@gmail.com or 609-571-5002) and make your plans for a wonderful 2025 celebration.

Please continue to review the updated guideline article included in the Sitzmark. This article is designed to help each of us navigate the Lodge reservation process. The guidelines continue to evolve based on feedback from members, Lodge Trustees, and Club Leadership. Please read the article and call me if you have questions. Thank you in advance!!

Warmest Holiday Wishes and Happy New Year!!

LODGE GUIDELINES

Hello High Lifers!

With the increasing demand of Lodge use the Lodge Committee would like to streamline the communication process as it pertains to making Lodge reservations. This document is meant to be dynamic and will be continuously updated as we figure out what works and what doesn't. The Lodge Committee asks all members to take the below guidelines into consideration as you make your Lodge reservations. Remember...the key to an effective reservation is to have clear and comprehensive communication with your House-mom.

As of November 1st, the Lodge will be collecting Winter rates for Lodge use. Please see the Lodge Rules and Regs for the current rates or ask your House-mom.

All reservations must be confirmed directly with a house mom before a payment is made. **Failure to do so will result in a mandatory \$5 penalty to be paid into the Lodge Supply Bucket.**

For those who wish to utilize Zelle to pay for their Lodge usage, please be aware of the following guidelines:

1. Members (only) can pay for Lodge stays and events electronically using the Zelle app on their mobile device.
2. NO ZELLE PAYMENT is allowed until after you've communicated with the house-mom and have a confirmation for your stay. If a payment is made prior to confirmation from the house-mom, a \$5 penalty will be assessed.
3. Zelle can ONLY be used for payments. **No refunds will be made once a Zelle payment is confirmed.** If a change to a reservation is made and is compliant with the Lodge rules, a credit will be issued.
4. If a member uses Zelle for payments, the member is responsible for ensuring they know how to correctly use the Zelle application. High Life Ski Lodge, Inc. is not responsible for any user error, application malfunction, or security of the relationship between Zelle and your bank account.

To pay using Zelle, please follow these instructions:

Confirm the recipient information with the House-mom. Input this information per House-mom instructions.

In the comment section, please list dates of your intended overnights (ie. Jan 4,5,6) and the name of the corresponding house-mom. Including this information in the comment section eases tracking for your payments. Once you've completed the payment, please inform the house-mom. Optionally (if your personal banking information is not visible) you could additionally forward a screenshot or confirmation email.

Reservations are taken in person at Club meetings per the dates on the Lodge schedule, which is posted on the Club Web Page (or you can ask a House-mom to email you the .pdf). After that meeting house moms will accept reservations by email or phone call only!! No initial contact with a House-mom via text-message. Please call during reasonable hours of the day (hint: if you have to ask yourself if it's a reasonable time, chances are it isn't)....and remember that many of our House-Moms still work and might not be able to respond for several hours. Our House-Moms do their best to acknowledge your communication as quickly as possible, but at times an immediate response is not possible.

If you'd like to go to the Lodge, please allow ample time for your House-Mom to get back to you.

LODGE GUIDELINES CONT.

During your initial communication please include the following information

***The High Life Lodge Committee loves our storm-chasers as well as those who love to spontaneously journey to Vermont. Please keep in mind that as you try to communicate with the house-mom, they may already be at the Lodge (especially if you are calling from Thursday-Monday). Please be sure to try calling the Lodge (802-773-9742) if you have difficulty communicating with the house-mom for your spontaneous plans.

1. Your full name
2. Number in your group and composition (ie a couple, kids (ages), family, member or guest, etc) and their full names.
3. Date and day of arrival, the number of nights, and the date/day of departure
4. Your intended Payment method (Zelle, mailing a check, payment upon arrival, gift-card, voucher, etc)

Below are some examples of the type of information that would best-help your communication with your House-mom. These are not intended to be all inclusive...they're just samples.

Example 1

Hello my name is "John Smith". I would like to arrive at the lodge on Dec 1st and stay for 2 nights, leaving the morning of the 3rd. I will be alone. If I can get bed XYZ, that would be great but will take what is available. I can give you a check upon arrival or mail to you. Thank you

Example 2

Hello my name is "John Smith" My wife "Jane Smith" and I would like to arrive at the lodge on Dec 1st and stay for 2 nights, leaving the morning of the 3rd. Jane is also a member and we would like a couple's room if available. I can Zelle the payment and so as you can confirm. Thank you.

Example 3

Hello my name is "John Smith". I would like to make a reservation for myself, my son "Adrian Smith", my brother-in-law "Steve Harris" and his son "George Harris". Steve and George are not members. We would like to arrive at the lodge on December 1st, stay for 2 nights, and depart on the morning of the 3rd. If possible, I would like all of us in one room. I can mail you a check or give you a check upon arrival. Thank You.

Once you have your assigned bed, you are not allowed to change your sleeping location without approval from your House-mom. This includes taking a perceived empty bed in another room or in the attic. There've been a few occasions when we have had members arrive late at night only to find someone in the bed/room they have been assigned. Mayhem and chaos ensue.

As House Moms we do our best to facilitate your reservation and make your Lodge experience as enjoyable as possible. We take into consideration each scheduled member coming-and-going, changes of plans (extending/shortening their stay), groups that would like to bunk in the same room, short notice requests and overlapping stays that cover two or even three different House Moms. Eighteen hundred bed nights is awesome...but can be a bit to juggle...

so please, talk to the House Mom before moving from assigned bed/room. We promise to do our best to help.

We thank you for your cooperation and look forward to a wonderful Fall.

The Lodge Committee
