**President's Message - Submitted by Paul Roy,
President, 917-577-3737 pauldenisroy@aol.com**

As I write this article, Killington has 148 of 155 trails open (95%!). There's snow forecast for three of the next seven days. Killington will be 100% open with great skiing everywhere by the time you read this!

Our Club now has almost 340 members including about 12% new joiners. With all the membership renewals coming in, the Club's bank account is solid at about \$61,000.

Thanks to the New Jersey Ski and Snowboard Council, Club members can purchase discounted lift ticket vouchers to Killington and Pico. The pricing, order form and instructions are on the Club's website (highlifeskiclub.org). Bob Zega handles Killington and Pico voucher orders quickly by email. See the NJSSC website for other discounted lift ticket opportunities at New York and New England ski areas.

Meetings and Other Events

The Lodge Trustees met January 28. There were 24 at the following membership meeting. The Executive Board met January 14. There were 19 at the following membership meeting, including two who joined the Club that night and two more who plan to join. We had 22 attend the Zoom membership meeting on January 7.

LODGE REPORT

The winter of 2025 is off to a fantastic start! Cold temperatures and intermittent snowfall have your favorite Vermont resorts in top shape. As of the end of January, 100% of Pico's trails are open and Killington has 155 out of 156 trails available (the Superpipe Trail hasn't made the cut yet). If snowshoeing is your speed, both trailed and backcountry conditions are excellent. Most importantly, your Lodge is waiting to host your winter getaway!

Super Bowl LIX is set for Sunday, February 9th! Don't miss the opportunity to watch the Kansas City Chiefs attempt to win an historic third consecutive championship on the NEW HD TV in the Barn. Only the Philadelphia Eagles stand in Kansas City's way. Join your fellow High Lifers for food and fun as you watch the NFL's Championship game. Lodge and party signups with Mike Burbridge are already open....so give Mike a call!!

The Lodge will host the second Snowshoe excursion (see photos from the first weekend in this edition of the Sitzmark) on Saturday, February 15th. This family-friendly weekend offers a great winter alternative for those who have Epic/IKON/season passes with holiday weekend blackout dates. Dave Young will be hosting the weekend with Andrie Young leading the snowshoe adventure. Signups will begin on February 4th!!!

February 21-23 is another family-friendly Lodge weekend. Looking into March, the Lodge will feature a Saint Patrick's dinner and party on March 15th. More details in next month's newsletter!!

The Lodge Committee is very appreciative of how well our members have been taking care of the Lodge. By completing assigned chores, washing/drying/putting away dishes, cleaning the sinks and drain screens, emptying waste baskets, etc. our members keep the Lodge in top shape for all visitors. Thank you!!!!

The Lodge Committee also thanks everyone for their timely communication with their house-moms. As a reminder, please initiate all communication with the respective house-mom via phone call and/or email. Your house-moms will do their best to respond as quickly as possible....however...we know some of you (especially during storm-chasing season) love to call your house-mom as you are walking to your car with the engine running....understand that your house-moms may be working, skiing, or unavailable for a few hours at a time. The sooner you reach out to your house-mom, the easier the signup process becomes.

As was mentioned last month, the utilization of Zelle for Lodge payments has been working fairly well when the procedure is correctly followed. Please, please, please DO NOT initiate a Zelle transaction without confirmation of reservation from a house-mom. In addition, be sure that your reservation details are placed in the comment field of the Zelle transaction and that a copy of the transaction be provided to your house-mom to confirm payment.

If you plan to pay via Zelle, your payment must be completed at the time of reservation or risk a possible late-payment surcharge. Again...communicate with your house-mom. There is an updated guideline article included in the Sitzmark. This article is designed to help each of us navigate the Lodge reservation process. The guidelines continue to evolve based on feedback from members, Lodge Trustees, and Club Leadership. Please read the article and call me if you have questions. Thank you in advance!!

We can't wait to see you at The Lodge!!

JANUARY EVENTS

2025 got off to a great start with 20 High Lifers in attendance at your lodge. After a day of skiing, appetizers were served; chips, dips, Hummus, Guacamole and Salsa complimented a 3Lb shrimp ring. Libations and good cheer soon followed. Members sat down for a full dinner of Salad, French bread, Pasta to be topped by Sausages, Meatballs or a 7 fishes casserole consisting of Cod, Shrimp, Calamari, Octopus, Scallops, Mussels, Clams and Cuttlefish. Dessert was served up featuring Pie Ala Mode from Mendon Orchards. Thanks to all the High Lifers in attendance for pitching in to cheer in the New Year with revelry in the barn. A special commendation to Andrie Young for her 2 days of prepping and cooking to satisfy all of the revelers. Hope to see you next time. Cheers

HAPPY NEW YEAR

JANUARY EVENTS CONT.

ASPEN SNOWMASS JANUARY 4 TO JANUARY 11

OUR GROUP ENJOYED TERRIFIC WEATHER WITH NEW SNOWFALL BEFORE OUR ARRIVAL. CONDITIONS WERE EXCELLENT FOR THE WHOLE WEEK. MEMBERS ENJOYED SKIING ALL 4 MOUNTAINS. WE STAYED MOSTLY IN SNOWMASS ENJOYING OUR SKI-IN SKI-OUT ACCOMMODATIONS. The group started with a wine and cheese hospitality reception at the Gate House.

Ice skating, HLSC curling team was there again, snowmobiling. Our group also enjoyed the 3 hot tubs, heated swimming pool and dry sauna.

SNOWSHOEING IN SNOWMASS : Our experienced environmentalist talked about the area's history, animals and conservation.

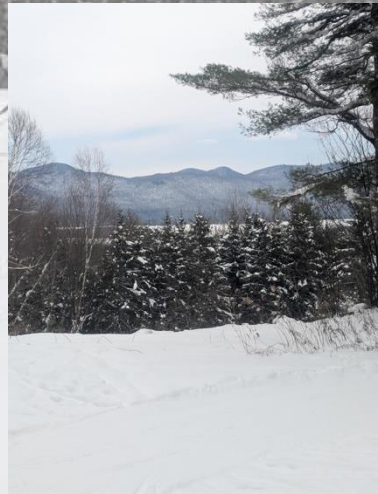

Our group enjoyed world class Bavarian restaurant dinner at The Edge. Best of all, it was walking distance from our condos. Appetizers, drinks, dinner, dessert in our own private room. Frank & Joe joined Ruth and the weekly Tuesday "Over the Hill Gang" of locals for a ski tour of many secret and well known stashes of groomers, glades/trees, and mogul runs, around Snowmass. All Blues and [single] Blacks were fair games for this super enjoyable ski day and lunch with new friends. Ruthie is a 30 year veteran of the Snowmass Ski Ambassador Team, an expert skier, and was 86 years young in 2024. They barely kept up with her!

LODGE GUIDELINES

Hello High Lifers!

With the increasing demand of Lodge use the Lodge Committee would like to streamline the communication process as it pertains to making Lodge reservations. This document is meant to be dynamic and will be continuously updated as we figure out what works and what doesn't. The Lodge Committee asks all members to take the below guidelines into consideration as you make your Lodge reservations. Remember....the key to an effective reservation is to have clear and comprehensive communication with your House-mom.

As of November 1st, the Lodge will be collecting Winter rates for Lodge use. Please see the Lodge Rules and Regs for the current rates or ask your House-mom.

All reservations must be confirmed directly with a house mom before a payment is made. **Failure to do so will result in a mandatory \$5 penalty to be paid into the Lodge Supply Bucket.**

For those who wish to utilize Zelle to pay for their Lodge usage, please be aware of the following guidelines:

1. Members (only) can pay for Lodge stays and events electronically using the Zelle app on their mobile device.
2. **NO ZELLE PAYMENT** is allowed until after you've communicated with the house-mom and have a confirmation for your stay. **If a payment is made prior to confirmation from the house-mom, a \$5 penalty will be assessed.**
3. Zelle can **ONLY** be used for payments. **No refunds will be made once a Zelle payment is confirmed.** If a change to a reservation is made and is compliant with the Lodge rules, a credit will be issued.
4. If a member uses Zelle for payments, the member is responsible for ensuring they know how to correctly use the Zelle application. High Life Ski Lodge, Inc. is not responsible for any user error, application malfunction, or security of the relationship between Zelle and your bank account.

To pay using Zelle, please follow these instructions:

Confirm the recipient information with the House-mom. Input this information per House-mom instructions.

In the comment section, please list dates of your intended overnights (ie. Jan 4,5,6) and the name of the corresponding house-mom. Including this information in the comment section eases tracking for your payments. Once you've completed the payment, please inform the house-mom. Optionally (if your personal banking information is not visible) you could additionally forward a screenshot or confirmation email.

Reservations are taken in person at Club meetings per the dates on the Lodge schedule, which is posted on the Club Web Page (or you can ask a House-mom to email you the .pdf). After that meeting, house moms will accept reservations by email or phone call only!! No initial contact with a House-mom via text-message. Please call during reasonable hours of the day (hint: if you have to ask yourself if it's a reasonable time, chances are it isn't)....and remember that many of our House-Moms still work and might not be able to respond for several hours. Our House-Moms do their best to acknowledge your communication as quickly as possible, but at times an immediate response is not possible.

If you'd like to go to the Lodge, please allow ample time for your House-Mom to get back to you.

LODGE GUIDELINES CONT.

Please call during reasonable hours of the day (hint: if you have to ask yourself if it's a reasonable time, chances are it isn't)...and remember that many of our House-Moms still work and might not be able to respond for several hours. During your initial communication please include the following information

1. **Your full name**
2. **Number in your group and composition (ie a couple, kids (ages), family, member or guest, etc) and their full names.**
3. **Date and day of arrival, the number of nights, and the date/day of departure**
4. **Your intended Payment method (Zelle, mailing a check, payment upon arrival, gift-card, voucher, etc)**

Below are some examples of the type of information that would best-help your communication with your House-mom. These are not intended to be all- inclusive...they're just samples.

Example 1

Hello my name is "John Smith". I would like to arrive at the lodge on Dec 1st and stay for 2 nights, leaving the morning of the 3rd . I will be alone. If I can get bed XYZ, that would be great but will take what is available. I can give you a check upon arrival or mail to you. Thank you

Example 2

Hello my name is "John Smith" My wife "Jane Smith" and I would like to arrive at the lodge on Dec 1st and stay for 2 nights, leaving the morning of the 3rd . Jane is also a member and we would like a couple's room if available. I can Zelle the payment and so as you can confirm. Thank you.

Example 3

Hello my name is "John Smith". I would like to make a reservation for myself, my son "Adrian Smith", my brother-in-law "Steve Harris" and his son "George Harris". Steve and George are not members. We would like to arrive at the lodge on December 1st , stay for 2 nights, and depart on the morning of the 3rd . If possible, I would like all of us in one room. I can mail you a check or give you a check upon arrival. Thank You.

Once you have your assigned bed, you are not allowed to change your sleeping location without approval from your House-mom. This includes taking a perceived empty bed in another room or in the attic.

There've been a few occasions when we have had members arrive late at night only to find someone in the bed/room they have been assigned. Mayhem and chaos ensue.

As House Moms we do our best to facilitate your reservation and make your Lodge experience as enjoyable as possible. We take into consideration each scheduled member coming-and-going, changes of plans (extending/shortening their stay), groups that would like to bunk in the same room, short notice requests and overlapping stays that cover two or even three different House Moms. Eighteen hundred bed nights is awesome...but can be a bit to juggle...so please, talk to the House Mom before moving from assigned bed/room. We promise to do our best to help.

We thank you for your cooperation and look forward to a wonderful winter,
The Lodge Committee.
