President's Message

President,

Submitted by Paul Roy,

pauldenisroy@aol.com.

Your member vote remains an important part of High Life Ski Club and High Life Ski Lodge decision making, in particular big and costly decisions. As an active current member of High Life Ski Club, you are able to vote on unbudgeted items over \$500, for both the Club and the Lodge. This voting requirement is in the by-laws of both entities, reflecting the hands-on expectation of members dating all the way back to Club founding in 1965.

We had an important membership meeting at the Exchange Tuesday evening September 23. Chris Cooney asked members to attend to consider and approve some important Lodge projects. I'm happy to report that we did have a membership quorum that night, and had full discussion and valid membership approvals of three important Lodge projects:

1. Resurfacing the parking area
2. Purchase of an Automated External Defibrillator (AED)
3. Replacing the old worn out insulation in the barn

Chris Cooney will provide more details and status updates on each project in the coming months. In addition, the members formally approved the bill for the band "The Kootz" at the November 1 Club 60th anniversary dinner. Thanks to all you members who showed up to consider and approve these important costs. I'm happy to report that each approval was unanimous or almost so.

You can still sign up for the Club's 60th anniversary dinner gala at Tavern 73 in Pine Brook. Please join us for a festive night.

For your quick reference, here is High Life Ski Club's Executive Board for June 2025 through May 2026:

President – Paul Roy

Administrative VP/Membership – Carol Cooney

Officer at Large – Linda Burns

Treasurer – Jeffrey Zega

Recording Secretary – Sal Pulitano

Corresponding Secretary – Barbara Capsouras

Parliamentarian – Ron Smolt

NJ Ski and Snowboard Council Representative – Bob Zega

Ski Trip Chairperson – Nina Tudorowsky

Activities Chairperson – Cliff Gawel

Newsletter Editor – Andrie Young

Social Media Coordinator – Jason Briggs

LODGE REPORT

Happy October!! September's weather has been beautiful, and the first dozen-or-so days of October will hopefully continue that trend. Due to the extremely dry weather in the Northeast, the New England's trees are changing color and dropping their leaves a bit early and quickly. Come join a work-weekend, or book a quick weekend getaway and enjoy Autumn at your Lodge. Before you know it, winter will arrive, and Vermont's luscious colors will be replaced with the pristine white of fresh snowfall.

In regards to the dry conditions....they have placed significant stress on the Lodge's natural water supply. Though the Lodge's supply did not run dry, the Lodge did close down for several days in September to help mitigate our water demand. Some late September rainfall has helped, and the Lodge has once again reopened. The Lodge is asking everyone to please be conscious of water-use at the Lodge. The Lodge also asks everyone to stay in contact with your House-Mom...though the upcoming dry weather is fantastic for outdoor activity, the Northeast and our Lodge are in need of rainfall. While we hope to not impact anyone's plans, continued dry weather may cause another shortage which could impact the Lodge's availability.

The Lodge Committee wishes to thank the tremendous membership turnout at the September 23 rd General Club Meeting. At this meeting, the membership was presented with an explanation of some non-budgeted projects at the Lodge. This fall, the Committee plans to install an AED (portable defibrillator) at the Lodge, resurface the driveway and parking lot with QP, and remove and replace the insulation beneath the barn floor. Thanks to the membership vote, funding for these projects has been approved. Look for these upgrades in the coming months and pay attention to the Sitzmark for project updates!!

Now that we have project funding, the Lodge needs your help to bring them to completion!! The next Work Weekend will be held from October 10-12 th . Ken Chodkiewicz is taking signups for the event now (kchod27@gmail.com or 973-919-1962). In addition to a great weekend which includes painting, yard cleanup and preparation for the completion of the aforementioned projects, the weekend will feature a Saturday fundraiser dinner, an opportunity to view some beautiful foliage, or extend your long-weekend stay. All workers enjoy complimentary Friday/Saturday night Lodge fees as well as a complimentary lunch on Saturday!

Can't make the October Work Weekend?? Put the final Work Weekend of the season on your calendar from November 7-9th!!

Please note: The Lodge Schedule has a subtle adjustment. Specifically....Jack McDevitt and Nancy Mathiesen are trading weeks. Look for the updated schedule on the High Life Web Page and in this edition of the Sitzmark.

Chris Moser has only a handful of \$25 seasonal lockers left for the 2025-26 season. These lockers are located behind the cipher lock on our Barn and can fit most skis or snowboards! Contact Chris for rental details (jeager1234@yahoo.com or 856-905-7960)

Please read the updated guideline article (as well as updated schedule) included in the Sitzmark. This article is designed to help each of us navigate the Lodge reservation process. The guidelines continue to evolve based on feedback from members, Lodge Trustees, and Club Leadership. Please read the article and call me if you have questions. Thank you in advance!!

The Lodge Committee wishes everyone a beautiful October!!

SEPTEMBER EVENTS

Peter Noone did a great job, entertaining the almost full house crowd. They played many great oldies. Many of us arrived early to enjoy some tailgating.

SEPTEMBER EVENTS CONT.

Highlife's 2025 Fall Cape Cod trip saw us with warmer weather as we headed there earlier than prior trips. The pool was still open and was used by many of us as well as a few frogs. Even the ocean temperatures were inviting. Highlights included a lobsterfest and our usual pizza party.

Next month we should have dates for our spring trip so stay tuned.

SENIOR OLYMPIC 2025, SEPTEMBER 17

The 36th Annual Senior Olympics was held in Pequannock, NJ this year. Two of HLSC members (Ronald Smolt, Nina Tudorowsky) were able to join the RANDOLPH TEAM, which competes with 5 other New Jersey townships. (SPARTA, WEST MILFORD, RANDOLPH, WAYNE, MORRIS TOWNSHIP, PEQUANNOCK) You can join a township that you live in OR join a neighboring township to be part of the Olympics. Members need to be 55 or older. Ronald Smolt and Nina Tudorowsky would like to encourage others to be part of this great program. Visit your town's PARKS AND RECREATION DEPARTMENT. You get to meet other teams, become friends, compete in a very spirited outdoor environment. RANDOLPH TEAM came in FIRST PLACE with additional 5 individual medals.

SENIOR OLYMPICS

Our High Life group of 11 enjoyed an unforgettable 7-day ski trip to Chile, based at Hotel HF near El Colorado. Just before our arrival, the Andes were blanketed with over four feet of fresh snow, creating perfect conditions for the week. The journey from Santiago to the hotel was an adventure in itself—a winding 7-hour drive up a steep and narrow mountain road. We spent our days skiing Valle Nevado, El Colorado, and La Parva, carving wide-open runs with breathtaking views. As the week went on, the weather warmed, and some of us were skiing in just light layers, sharing the trails with international pros in training. It was the ideal blend of adventure, deep powder, and unforgettable moments together in the high-altitude mountains.

SEPTEMBER EVENTS CONT.

On Friday, the High Life crew enjoyed a scenic 15-mile bike ride along the Delaware river. The ride included a stop at Washington Crossing Park where we toured the museum. The park preserves the site where George Washington crossed the Delaware River and turned the tide of the Revolutionary War.

The cycling ended at the Lambertville station restaurant where we enjoyed cocktails and a delicious dinner. It was an amazing day!

SEPTEMBER EVENTS CONT.

Looks like mountain biking is still going strong at Killington. This is just one of the full parking lots on a Thursday afternoon in late September. And the line of bikers to get on the chair was longer than the skiers in ski season.

The new Superstar chair looks like its just about ready to go. Some workers on top of the new base station probably making some last-minute adjustments. Not sure if they used the old towers or these are replacements, but everything looked new and shiny.

Only a few weeks left until opening day. Pray for snow!

LODGE GUIDELINES

Hello High Lifers!

With the increasing demand of Lodge use the Lodge Committee would like to streamline the communication process as it pertains to making Lodge reservations. This document is meant to be dynamic and will be continuously updated as we figure out what works and what doesn't. The Lodge Committee asks all members to take the below guidelines into consideration as you make your Lodge reservations. Remember...the key to an effective reservation is to have clear and comprehensive communication with your House-mom. As of November 1st, the Lodge will be collecting Winter rates for Lodge use. Please see the Lodge Rules and Regs for the current rates or ask your House-mom.

All reservations must be confirmed directly with a house mom before a payment is made. Failure to do so will result in a mandatory \$5 penalty to be paid into the Lodge Supply Bucket.

Guidelines for paying for Lodge stays through Zelle

For those who wish to utilize Zelle to pay for their Lodge usage, please be aware of the following guidelines:

1. **Members (only) can pay for Lodge stays and events electronically using the Zelle app on their mobile device.**
2. **NO ZELLE PAYMENT is allowed until after you've communicated with the house-mom and have a confirmation for your stay. If a payment is made prior to confirmation from the house-mom, a \$5 penalty will be assessed.**
3. **Zelle can ONLY be used for payments. No refunds will be made once a Zelle payment is confirmed. If a change to a reservation is made and is compliant with the Lodge rules, a credit will be issued.**
4. **If a member uses Zelle for payments, the member is responsible for ensuring they know how to correctly use the Zelle application. High Life Ski Lodge, Inc. is not responsible for any user error, application malfunction, or security of the relationship between Zelle and your bank account.**

To pay using Zelle, please follow these instructions:

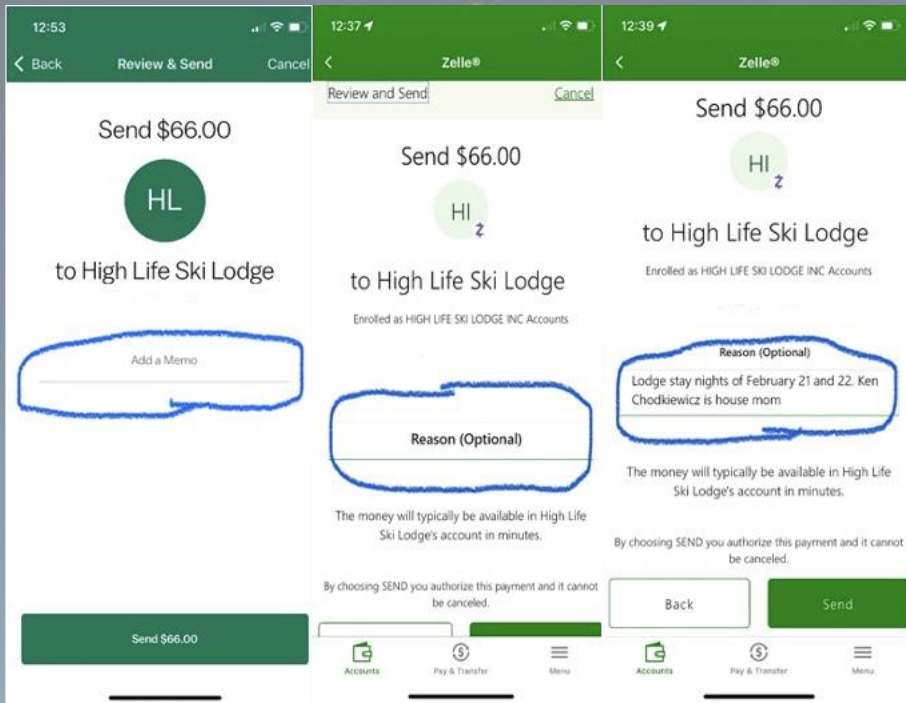

Confirm the recipient information with the House-mom. Input this information per House-mom instructions.

In the comment section, (may be listed as "Reason", "Add a Memo" or something similar based on your banking or Zelle app), please list dates of your intended overnights (ie. Jan 4,5,6) and the name of the corresponding house-mom. Including this information in the comment section eases tracking for your payments. Please note: This field is NOT required by Zelle to execute a transaction....you must consciously input the requested information. See Screenshots below.

Failure to include this information will result in a \$5 penalty to be paid to the Lodge supply bucket.

LODGE GUIDELINES CONT.

Note: Your bank or Zelle app may look different. These are for example only.

Once you've completed the payment, please inform the house-mom. Optionally (if your personal banking information is not visible) you could additionally forward a screenshot or confirmation email.

REMINDER: Making a Zelle payment prior to receiving house-mom confirmation of your reservation or failing to fill in the Reason/Memo section of the Zelle transaction will result in a \$5 penalty.

Reservations are taken in person at Club meetings as per the dates on the Lodge schedule, which is posted on the Club Web Page (or you can ask a House-mom to email you the .pdf). After that meeting house moms will accept reservations by email or phone call only!! No initial contact with a House-mom via text-message. Please call during reasonable hours of the day (hint: if you have to ask yourself if it's a reasonable time, chances are it isn't)...and remember that many of our House-Moms still work and might not be able to respond for several hours. Our House-Moms do their best to acknowledge your communication as quickly as possible, but at times an immediate response is not possible. If you'd like to go to the Lodge, please allow ample time for your House-Mom to get back to you. During your initial communication please include the following information

***The High Life Lodge Committee loves our storm-chasers as well as those who love to spontaneously journey to Vermont. Please keep in mind that as you try to communicate with the house-mom, they may already be at the Lodge (especially if you are calling from Thursday-Monday). Please be sure to try calling the Lodge (802-773-9742) if you have difficulty communicating with the house-mom for your spontaneous plans.

LODGE GUIDELINES CONT

Your full name

2. Number in your group and composition (ie a couple, kids (ages), family, member or guest, etc) and their full names.
3. Date and day of arrival, the number of nights, and the date/day of departure
4. Your intended Payment method (Zelle, mailing a check, payment upon arrival, gift-card, voucher, etc)

-Below are some examples of the type of information that would best-help your communication with your House-mom. These are not intended to be all inclusive.... they're just samples.

Example 1

Hello my name is "John Smith". I would like to arrive at the lodge on Friday, Dec 1st and stay for 2 nights, leaving the morning of the 3rd. I will be alone. If I can get bed XYZ, that would be great but will take what is available. I can give you a check upon arrival or mail to you. Thank you

Example 2

Hello my name is "John Smith" My wife "Jane Smith" and I would like to arrive at the lodge on Friday, Dec 1st and stay for 2 nights, leaving the morning of the 3rd. Jane is also a member and we would like a couple's room if available. I can Zelle the payment and so as you can confirm. Thank you.

Example 3

Hello my name is "John Smith". I would like to make a reservation for myself, my son "Adrian Smith", my brother-in-law "Steve Harris" and his son "George Harris". Steve and George are not members. We would like to arrive at the lodge on Friday, December 1st, stay for 2 nights, and depart on the morning of the 3rd. If possible, I would like all of us in one room. I can mail you a check or give you a check upon arrival. Thank You.

Once you have your assigned bed, you are not allowed to change your sleeping location without approval from your House-mom. This includes taking a perceived empty bed in another room or in the attic.

There've been a few occasions when we have had members arrive late at night only to find someone in the bed/room they have been assigned. Mayhem and chaos ensue.

As House Moms we do our best to facilitate your reservation and make your Lodge experience as enjoyable as possible. We take into consideration each scheduled member coming-and-going, changes of plans (extending/shortening their stay), groups that would like to bunk in the same room, short notice requests and overlapping stays that cover two or even three different House Moms. Eighteen hundred bed nights is awesome...but can be a bit to juggle...so please, talk to the House Mom before moving from assigned bed/room. We promise to do our best to help.

We thank you for your cooperation and look forward to a wonderful Fall.

The Lodge Committee.
