# LODGE REPORT

Happy New Year and welcome to 2026!! The Lodge Committee wishes you continued health, success, and joyous experiences in the New Year. We hope you have a calendar full of exciting winter plans and that some of those plans include turns at your favorite resort near our Lodge. Whether your adventures are at your local mountain, on a High Life or NJSSC trip, or at our amazing Lodge, please have fun, be safe, and enjoy each moment!!

The Northeast had some fantastic December conditions....even NJ has had snow!! While conditions at your local mountain might be appealing, imagine how impressive Vermont terrain must be. If you didn't have a chance to ski Vermont or spend time at the Lodge in December, we hope to see you in Vermont in the coming weeks. As always, your Lodge schedule is included in the Sitzmark. Checkout upcoming family weekends, and special events such as the Superbowl, St. Patrick's, and BMCC party weekends.!!

Winter does tend to have spikes of illnesses such as the Flu, common colds, and other ailments. The Lodge Committee is understanding if your plans change due to illness and ask our members to please be courteous and adjust your Lodge plans if you are not feeling well. Your House-mom may communicate with you should illness break out prior to your stay. Understand....our goal is not to panic at each cough or sneeze (this happens), but we would like to minimize unneeded exposure of any illness when we can. Just remember....If you are not feeling well, please let your house-mom know as soon as is reasonable.

Since we are talking about communication....please initiate all communication with the respective house-mom via phone call and/or email. Your house-moms will do their best to respond as quickly as possible....however...we know some of you (especially during storm-chasing season) love to call your house-mom as you are walking to your car with the engine running. Do understand that your house-moms may be working, skiing, or unavailable for a few hours at a time. The sooner you reach out to your house-mom, the easier the signup process becomes.

Just a reminder for those of you who like to utilize Zelle to pay for Lodge stays... Members are NOT to initiate a Zelle transaction without confirmation of reservation from a house-mom. In addition, house-moms request that your reservation details be placed in the comment field of the Zelle transaction (we know this is not a mandatory field....). There is a Lodge Guidelines article in the Sitzmark that has these instructions and diagrams. Please review. If you ever have questions, please ask your house-mom!

As we are now in the "busy season" at the Lodge, we do have to express the importance of completing your assigned chore. Take ownership of your chore....If you are assigned the kitchen floor, take pride in keeping the floor clean. Most chores can be accomplished in 10 or 15 minutes when they are done regularly. For those who like to stay at the Lodge for longer stretches (ie more than 4 nights) we may ask you to complete your chores multiple times during your stay. Also.....*promptly* washing, drying, and putting away your kitchen items are not *chores*....they are *responsibilities*. The Lodge Committee thanks each of you in advance!

We can't wait to see you in Vermont!! Wishing you joy this winter season!!

Happy 2026!!

-Chris Cooney

Lodge Chairperson

## DECEMBER EVENTS

**December 6**

**The West Point Holiday Show was a beloved annual tradition. It is praised for its festive mix of classic carols, modern hits, The Hellcats' drumming, Nutcracker arrangements. It also includes family-friendly fun like meeting Santa. It is also offering a heartwarming, traditional holiday experience with great music and pageantry, though some find the scale large and festive for all ages in the Hudson Valley.**

## LODGE GUIDELINES

Hello High Lifers!

With the increasing demand of Lodge use the Lodge Committee would like to streamline the communication process as it pertains to making Lodge reservations. This document is meant to be dynamic and will be continuously updated as we figure out what works and what doesn't. The Lodge Committee asks all members to take the below guidelines into consideration as you make your Lodge reservations. Remember....the key to an effective reservation is to have clear and comprehensive communication with your House-mom. As of November 1<sup>st</sup>, the Lodge will be collecting Winter rates for Lodge use. Please see the Lodge Rules and Regs for the current rates or ask your House-mom.

**All reservations must be confirmed directly with a house mom before a payment is made. Failure to do so will result in a mandatory \$\$ penalty to be paid into the Lodge Supply Bucket.**

### Guidelines for paying for Lodge stays through Zelle

For those who wish to utilize Zelle to pay for their Lodge usage, please be aware of the following guidelines:

1. **Members (only) can pay for Lodge stays and events electronically using the Zelle app on their mobile device.**
2. **NO ZELLE PAYMENT is allowed until after you've communicated with the house-mom and have a confirmation for your stay. If a payment is made prior to confirmation from the house-mom, a \$\$ penalty will be assessed.**
3. **Zelle can ONLY be used for payments. *No refunds will be made once a Zelle payment is confirmed.* If a change to a reservation is made and is compliant with the Lodge rules, a credit will be issued.**
4. **If a member uses Zelle for payments, the member is responsible for ensuring they know how to correctly use the Zelle application. High Life Ski Lodge, Inc. is not responsible for any user error, application malfunction, or security of the relationship between Zelle and your bank account.**

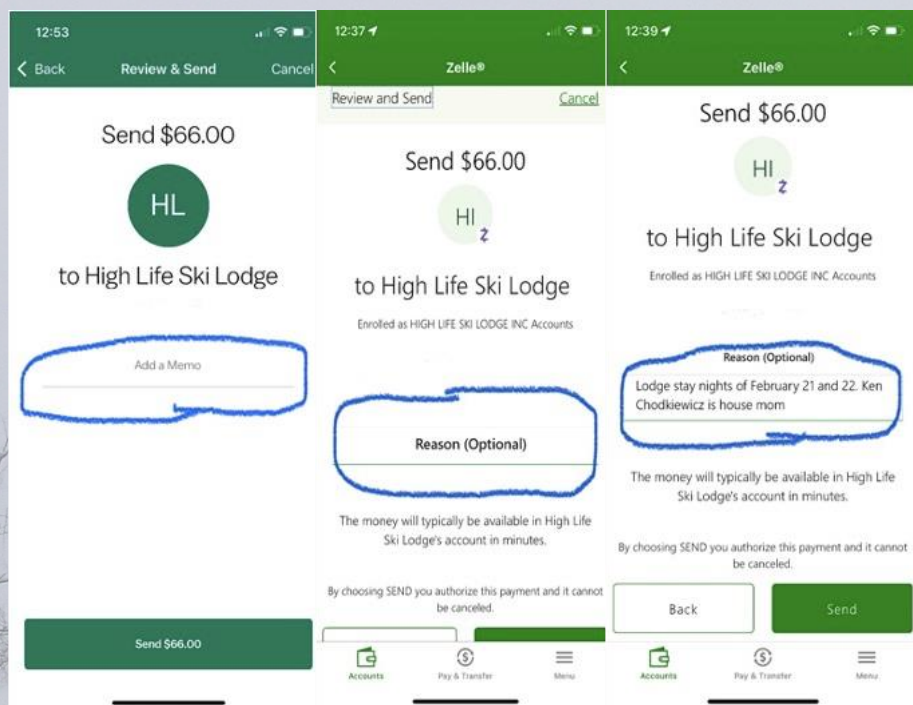

To pay using Zelle, please follow these instructions:

**Confirm the recipient information with the House-mom. Input this information per House-mom instructions.**

**In the comment section, (may be listed as "Reason", "Add a Memo" or something similar based on your banking or Zelle app), please list dates of your intended overnights (ie. Jan 4,5,6) and the name of the corresponding house-mom. Including this information in the comment section eases tracking for your payments. Please note: This field is NOT required by Zelle to execute a transaction....you must consciously input the requested information. See Screenshots below. Failure to include this information will result in a \$5 penalty to be paid to the Lodge supply bucket.**

## LODGE GUIDELINES CONT.

**Note:** Your bank or Zelle app may look different. These are for example only.

Once you've completed the payment, please inform the house-mom. Optionally (if your personal banking information is not visible) you could additionally forward a screenshot or confirmation email.

**REMINDER:** Making a Zelle payment prior to receiving house-mom confirmation of your reservation or failing to fill in the Reason/Memo section of the Zelle transaction will result in a \$5 penalty.

Reservations are taken in person at Club meetings as per the dates on the Lodge schedule, which is posted on the Club Web Page (or you can ask a House-mom to email you the .pdf). After that meeting house moms will accept reservations by email or phone call only!! No initial contact with a House-mom via text-message. Please call during reasonable hours of the day (hint: if you have to ask yourself if it's a reasonable time, chances are it isn't)...and remember that many of our House-Moms still work and might not be able to respond for several hours. Our House-Moms do their best to acknowledge your communication as quickly as possible, but at times an immediate response is not possible. If you'd like to go to the Lodge, please allow ample time for your House-Mom to get back to you. During your initial communication please include the following information

\*\*\*The High Life Lodge Committee loves our storm-chasers as well as those who love to spontaneously journey to Vermont. Please keep in mind that as you try to communicate with the house-mom, they may already be at the Lodge (especially if you are calling from Thursday-Monday). Please be sure to try calling the Lodge (802-773-9742) if you have difficulty communicating with the house-mom for your spontaneous plans.

## LODGE GUIDELINES CONT.

### Your full name

2. Number in your group and composition (ie a couple, kids (ages), family, member or guest, etc) and their full names.
3. Date and day of arrival, the number of nights, and the date/day of departure
4. Your intended Payment method (Zelle, mailing a check, payment upon arrival, gift-card, voucher, etc)

-Below are some examples of the type of information that would best-help your communication with your House-mom. These are not intended to be all inclusive.... they're just samples.

### Example 1

Hello my name is "John Smith". I would like to arrive at the lodge on Friday, Dec 1<sup>st</sup> and stay for 2 nights, leaving the morning of the 3<sup>rd</sup>. I will be alone. If I can get bed XYZ, that would be great but will take what is available. I can give you a check upon arrival or mail to you. Thank you

### Example 2

Hello my name is "John Smith" My wife "Jane Smith" and I would like to arrive at the lodge on Friday, Dec 1<sup>st</sup> and stay for 2 nights, leaving the morning of the 3<sup>rd</sup>. Jane is also a member and we would like a couple's room if available. I can Zelle the payment and so as you can confirm. Thank you.

### Example 3

Hello my name is "John Smith". I would like to make a reservation for myself, my son "Adrian Smith", my brother-in-law "Steve Harris" and his son "George Harris". Steve and George are not members. We would like to arrive at the lodge on Friday, December 1<sup>st</sup>, stay for 2 nights, and depart on the morning of the 3<sup>rd</sup>. If possible, I would like all of us in one room. I can mail you a check or give you a check upon arrival. Thank You.

---

Once you have your assigned bed, you are not allowed to change your sleeping location without approval from your House-mom. This includes taking a perceived empty bed in another room or in the attic.

There've been a few occasions when we have had members arrive late at night only to find someone in the bed/room they have been assigned. Mayhem and chaos ensue.

As House Moms we do our best to facilitate your reservation and make your Lodge experience as enjoyable as possible. We take into consideration each scheduled member coming-and-going, changes of plans (extending/shortening their stay), groups that would like to bunk in the same room, short notice requests and overlapping stays that cover two or even three different House Moms. Eighteen hundred bed nights is awesome...but can be a bit to juggle...so please, talk to the House Mom before moving from assigned bed/room. We promise to do our best to help.

We thank you for your cooperation and look forward to a wonderful Fall.

The Lodge Committee.
