## LODGE REPORT

The winter of 2026 is off to a fantastic....and cold start!! January snowfall has all your favorite Northeast resorts in prime shape!! Don't forget...legendary snowfall also provides amazing snowshoe conditions. Your Lodge is ready to host you for any of your winter activities. Contact your House Mom and make your reservation today!!!

Super Bowl LX is set for Sunday, February 8 th ! Don't miss the opportunity to watch Seattle battle New England for the Lombardi Trophy on the HD TV in the Barn. Join Nancy Mathiesen and your fellow High Lifers for food and fun as you watch the NFL's Championship game. Lodge and party signups are already open....so give Nancy a call!!

February 13-15 and 20-22 are family-friendly Lodge weekends. Help introduce High Life to the next generation....and take advantage stellar winter conditions. Read the Lodge Rules on the High Life Web Page or contact your House Mom for family weekend details and guidelines.

The Lodge Committee is very appreciative of how well our members have been taking care of the Lodge. By completing assigned chores, washing/drying/putting away dishes, cleaning the sinks and drain screens, emptying waste baskets, etc. our members keep the Lodge in top shape for all visitors. Also....snow removal is EVERYONE'S chore. Entranceways, fire escapes, pathways, decks and stairs **MUST** be kept clean and well accessible. Thank you!!!!

The Lodge Committee also thanks everyone for their timely communication with their house-moms. As a reminder, please initiate all communication with the respective house-mom via phone call and/or email. Your house-moms will do their best to respond as quickly as possible....however...we know some of you (especially during storm-chasing season) love to call your house-mom as you are walking to your car with the engine running....understand that your house-moms may be working, skiing, or unavailable for a few hours at a time. The sooner you reach out to your house-mom, the easier the signup process becomes. Payment for Lodge stays are to be made promptly...whether paying by check or by Zelle. If you plan to pay via Zelle, your payment must be completed at the time of reservation or risk a possible late-payment surcharge. Again...communicate with your house-mom. There is an updated guideline article included in the Sitzmark. This article is designed to help each of us navigate the Lodge reservation process. The guidelines continue to evolve based on feedback from members, Lodge Trustees, and Club Leadership. Please read the article and call me if you have questions. Thank you in advance!!

As winter can be the high season for colds, flu, and other illnesses, please be considerate of your fellow members and adjust or abridge your Lodge visit if you are not feeling well. Your House Mom will work with you if illness gets in the way of your Lodge visit. The Lodge Committee will also do its best to inform you if/when there is an illness outbreak at the Lodge.

We hope you continue to have a great winter and can't wait to see you at The Lodge!!

-Chris Cooney  
Lodge Chairperson

# JANUARY EVENTS

## HEALTHY AND HAPPY NEW YEAR 2026

### January 6 Elk Mountain

A few of us Skied Elk on Senior Tuesday for only \$50. What a bargain! The conditions could not have been better. The mountain was perfectly groomed with a nice soft creamy smooth and no ice feel.

## JANUARY EVENTS

### HEALTHY AND HAPPY NEW YEAR 2026

#### January 14 Blue Mountain

The High Life ski team spent the day tearing up Blue Mountain in Pennsylvania. Ron Smoltz broke in his new hip on razors edge. The temperatures were above freezing, which made for some really good spring conditions with no ice. A great time was had by all.

## LODGE GUIDELINES

Hello High Lifers!

With the increasing demand of Lodge use the Lodge Committee would like to streamline the communication process as it pertains to making Lodge reservations. This document is meant to be dynamic and will be continuously updated as we figure out what works and what doesn't. The Lodge Committee asks all members to take the below guidelines into consideration as you make your Lodge reservations. Remember....the key to an effective reservation is to have clear and comprehensive communication with your House-mom. As of November 1<sup>st</sup>, the Lodge will be collecting Winter rates for Lodge use. Please see the Lodge Rules and Regs for the current rates or ask your House-mom.

**All reservations must be confirmed directly with a house mom before a payment is made. Failure to do so will result in a mandatory \$5 penalty to be paid into the Lodge Supply Bucket.**

### Guidelines for paying for Lodge stays through Zelle

For those who wish to utilize Zelle to pay for their Lodge usage, please be aware of the following guidelines:

1. **Members (only) can pay for Lodge stays and events electronically using the Zelle app on their mobile device.**
2. **NO ZELLE PAYMENT is allowed until after you've communicated with the house-mom and have a confirmation for your stay. If a payment is made prior to confirmation from the house-mom, a \$5 penalty will be assessed.**
3. **Zelle can ONLY be used for payments. *No refunds will be made once a Zelle payment is confirmed.* If a change to a reservation is made and is compliant with the Lodge rules, a credit will be issued.**
4. **If a member uses Zelle for payments, the member is responsible for ensuring they know how to correctly use the Zelle application. High Life Ski Lodge, Inc. is not responsible for any user error, application malfunction, or security of the relationship between Zelle and your bank account.**

To pay using Zelle, please follow these instructions:

**Confirm the recipient information with the House-mom. Input this information per House-mom instructions.**

**In the comment section, (may be listed as "Reason", "Add a Memo" or something similar based on your banking or Zelle app), please list dates of your intended overnights (ie. Jan 4,5,6) and the name of the corresponding house-mom. Including this information in the comment section eases tracking for your payments. Please note: This field is NOT required by Zelle to execute a transaction....you must consciously input the requested information. See Screenshots below. Failure to include this information will result in a \$5 penalty to be paid to the Lodge supply bucket.**

## LODGE GUIDELINES CONT.

**Note: Your bank or Zelle app may look different. These are for example only.**

**Once you've completed the payment, please inform the house-mom. Optionally (if your personal banking information is not visible) you could additionally forward a screenshot or confirmation email.**

**REMINDER: Making a Zelle payment prior to receiving house-mom confirmation of your reservation or failing to fill in the Reason/Memo section of the Zelle transaction will result in a \$5 penalty.**

**Reservations are taken in person at Club meetings as per the dates on the Lodge schedule, which is posted on the Club Web Page (or you can ask a House-mom to email you the .pdf). After that meeting house moms will accept reservations by email or phone call only!! No initial contact with a House-mom via text-message.**

**Please call during reasonable hours of the day (hint: if you have to ask yourself if it's a reasonable time, chances are it isn't)... and remember that many of our House-Moms still work and might not be able to respond for several hours. Our House-Moms do their best to acknowledge your communication as quickly as possible, but at times an immediate response is not possible. If you'd like to go to the Lodge, please allow ample time for your House-Mom to get back to you. During your initial communication please include the following information**

**\*\*\*The High Life Lodge Committee loves our storm-chasers as well as those who love to spontaneously journey to Vermont. Please keep in mind that as you try to communicate with the house-mom, they may already be at the Lodge (especially if you are calling from Thursday-Monday). Please be sure to try calling the Lodge (802-773-9742) if you have difficulty communicating with the house-mom for your spontaneous plans.**

## LODGE GUIDELINES CONT.

### Your full name

2. Number in your group and composition (ie a couple, kids (ages), family, member or guest, etc) and their full names.
3. Date and day of arrival, the number of nights, and the date/day of departure
4. Your intended Payment method (Zelle, mailing a check, payment upon arrival, gift-card, voucher, etc)

-Below are some examples of the type of information that would best-help your communication with your House-mom. These are not intended to be all inclusive.... they're just samples.

#### Example 1

Hello my name is "John Smith". I would like to arrive at the lodge on Friday, Dec 1<sup>st</sup> and stay for 2 nights, leaving the morning of the 3<sup>rd</sup>. I will be alone. If I can get bed XYZ, that would be great but will take what is available. I can give you a check upon arrival or mail to you. Thank you

#### Example 2

Hello my name is "John Smith" My wife "Jane Smith" and I would like to arrive at the lodge on Friday, Dec 1<sup>st</sup> and stay for 2 nights, leaving the morning of the 3<sup>rd</sup>. Jane is also a member and we would like a couple's room if available. I can Zelle the payment and so as you can confirm. Thank you.

#### Example 3

Hello my name is "John Smith". I would like to make a reservation for myself, my son "Adrian Smith", my brother-in-law "Steve Harris" and his son "George Harris". Steve and George are not members. We would like to arrive at the lodge on Friday, December 1<sup>st</sup>, stay for 2 nights, and depart on the morning of the 3<sup>rd</sup>. If possible, I would like all of us in one room. I can mail you a check or give you a check upon arrival. Thank You.

---

**Once you have your assigned bed, you are not allowed to change your sleeping location without approval from your House-mom. This includes taking a perceived empty bed in another room or in the attic.**

**There've been a few occasions when we have had members arrive late at night only to find someone in the bed/room they have been assigned. Mayhem and chaos ensue.**

**As House Moms we do our best to facilitate your reservation and make your Lodge experience as enjoyable as possible. We take into consideration each scheduled member coming-and-going, changes of plans (extending/shortening their stay), groups that would like to bunk in the same room, short notice requests and overlapping stays that cover two or even three different House Moms. Eighteen hundred bed nights is awesome...but can be a bit to juggle...so please, talk to the House Mom before moving from assigned bed/room. We promise to do our best to help.**

**We thank you for your cooperation and look forward to a wonderful Winter.**

**The Lodge Committee.**

## NJ Ski Council Announcements

Happy Ski Season everyone, we finally got a REAL winter in the Northeast. With the recent snow dumps I'd like to remind all of you that High Life's discount lift ticket program (aka 'Vouchers') is operational. We have discounted tix for Killington and Pico through the NJ Ski Council. To get a voucher for either area, log onto HLSC's website click on 'Activities' and print out a Voucher Order form. Mail it with a check to me at the address on the form. Turnaround time after I have your form and payment is 2-3 days. If you are in doubt about anything regarding the Voucher process, please email or text me at the phone number on the Order form.

**Mtn. Creek, NJ:** While this area is not Vermont, it compares favorably with the medium

sized resorts in Pa. and right now conditions are super. A group of us skied there this past

Monday when NJ Ski Council ran a Happy Hour. To get a discounted lift ticket to Mtn. Creek, log onto High Life's website, click on Activities and scroll to Mtn Creek Discount

**Catamount, Montage & Stratton:** Discounted lift tickets are available for these resorts but you MUST go through the NJ Ski Council website ([www.NJSSC](http://www.NJSSC)) to get them.

**Ski Council Appreciation Days:** for Mount Snow and Whiteface are listed on the NJ Ski Council website. If you are unfamiliar with Ski Council Appreciation days, this is simply a day where the respective resort offers discounted skiing to members whose club is a member of NJ Ski Council. You must present your HLSC card with the NJ Ski Council sticker attached at the lift ticket window on a Ski Council Appreciation Day.

**Hoboken Ski Club:** is running a multi-day trip to Lake Placid on Superbowl weekend. They informed us there are openings on this trip. The price is \$849 and includes bus transportation to/from Lake Placid, hotel stay, daily breakfast buffet, shuttle to/from Whiteface, 1 group dinner, a Happy Hour and a Super Bowl Sunday party. If you are interested log onto the Hoboken Ski Club Website, click on 'Trips' to sign up.

I'll see you at the Lodge this weekend,

Bob Zega
