**President,** 917-577-3737 **pauldenisroy@aol.com**

All 155 Killington trails are now open. With consistent snowfall and cold temperatures in the next few days, Killington will remain 100% open well into March. Killington was great for my last trip January 29 and 30. I am sure it will be great again when I ski there February 26 and 27.

Your Club's membership is still growing. As of late February, we are pushing 370 members, about 20 more than one year ago.

Here is your Executive Board for the June 2025-May 2026 term:

**President – Paul Roy**  
**Administrative VP/Membership – Carol Cooney**  
**Officer at Large – Linda Burns**  
**Treasurer – Jeffrey Zega**  
**Recording Secretary – Sal Pulitano**  
**Corresponding Secretary – Barbara Capsouras**  
**Parliamentarian – Ron Smolt**  
**NJ Ski and Snowboard Council Representative – Bob Zega**  
**Ski Trip Chairperson – Nina Tudorowsky**  
**Activities Chairperson – Cliff Gawel**  
**Newsletter Editor – Andrie Young**  
**Social Media Coordinator – Jason Briggs**  
**Chair of the Lodge Trustees - Chris Cooney**

## Trips

The Club's Zermatt Switzerland trip (with optional additional days in Paris) was in early February and went really well. The Whitefish Montana trip was February 21-28.

The New Jersey Ski and Snowboard Council offers trips too. Check the website: [njssc.org](http://njssc.org)

## LODGE REPORT

What a season....and it's only March 1 st!! Most Vermont resorts are 100% open and in the range of 100 amazing operating days. The month of March tends not to disappoint... Killington averages between 45 and 55 inches of snow in March. With (hopefully) some moderate temperatures (January and early February were COLD) and ample coverage, the winter-resort season should be far-from-over! Your High Life Lodge is ready for you....and we even have some fun things planned!! We can't wait to see you!!

February was a phenomenal month at The Lodge! Super Bowl Sunday may have been frigid outside....but the High Life Super Bowl Party was warm and toasty inside our Barn. Nancy Mathiesen and her team put together a great celebration as the Seahawks dismantled the Patriots. Thank you to all who attended the party and to Nancy for running her first solo Lodge event!!

Coming up in March is the Lodge St. Patrick's Dinner and Party on Saturday the 14 th ! Celebrate St. Patrick's with your Irish favorites such as corned beef & cabbage, potatoes, soda bread, vegetarian stew, plus many other surprises (I heard Kerry is inviting her friends "Margaret and Rita"). After dinner, bring your Irish dancing shoes over to the barn for the Lodge St. Patrick's Party!! Chris Cooney is once again coordinating the festivities....Lodge and party signups begin on Tuesday, March 5 th . See the flyer in this edition of the Sitzmark!!

Later in March (ie. the weekend of March 28 th ) will be hosting a fun Lodge weekend with our dual-members of the Morris County Ski Club and their guests. Come enjoy some fun late-March turns and help show off The High Life Lodge to our Morris County friends. The event will culminate with a Saturday-night party in our Barn.

Taking a quick peek into early April, the Cooney/Zega Team will once again host the tailgate and party for the Bear Mountain Mogul Challenge. Keep your eyes on your email and our Social Media pages for details!!

The Lodge Committee continues to appreciate how well our members take care of the Lodge. Please, Please, Please....if you are unsure of something at The Lodge (barn heaters, kitchen vent, wi-fi, etc etc)....ask your Housemom. Taking the time to ask...and doing something correctly....is much more efficient than un-doing something that was done incorrectly. As always, the Lodge Committee love you for completing assigned chores, washing/drying/putting away dishes, cleaning the sinks and drain screens, emptying waste baskets, etc. and keeping the Lodge in top shape for all visitors. The Lodge Committee thanks everyone for their continued timely communication with their house-moms. As a reminder, please initiate all communication with the respective house-mom via phone call and/or email. Your house-moms will do their best to respond as quickly as possible.... however...we know some of you (especially during storm-chasing season) love to call your house-mom as you are walking to your car with the engine running.... understand that your house-moms may be working, skiing, or unavailable for a few hours at a time. The sooner you reach out to your house-mom, the easier the signup process becomes. The Lodge committee has Signup guidelines posted in the Sitzmark for your convenience!!

The conditions in Vermont are fantastic! We can't wait to see you in March!!

-Chris Cooney  
Lodge Chairperson

## FEBRUARY EVENTS

We had a great time catching up with fellow High Lifers at the Nostrana restaurant in Boonton. We enjoyed free Italian spread of cheeses and meats. Ron Smolt presented the Zermatt/Paris presentation for all to view on his computer.

## LODGE GUIDELINES

Hello High Lifers!

With the increasing demand of Lodge use the Lodge Committee would like to streamline the communication process as it pertains to making Lodge reservations. This document is meant to be dynamic and will be continuously updated as we figure out what works and what doesn't. The Lodge Committee asks all members to take the below guidelines into consideration as you make your Lodge reservations. Remember...the key to an effective reservation is to have clear and comprehensive communication with your House-mom. As of November 1<sup>st</sup>, the Lodge will be collecting Winter rates for Lodge use. Please see the Lodge Rules and Regs for the current rates or ask your House-mom.

**All reservations must be confirmed directly with a house mom before a payment is made. Failure to do so will result in a mandatory \$5 penalty to be paid into the Lodge Supply Bucket.**

### Guidelines for paying for Lodge stays through Zelle

For those who wish to utilize Zelle to pay for their Lodge usage, please be aware of the following guidelines:

1. **Members (only)** can pay for Lodge stays and events electronically using the Zelle app on their mobile device.
2. **NO ZELLE PAYMENT** is allowed until after you've communicated with the house-mom and have a confirmation for your stay. If a payment is made prior to confirmation from the house-mom, a \$5 penalty will be assessed.
3. Zelle can **ONLY** be used for payments. *No refunds will be made once a Zelle payment is confirmed.* If a change to a reservation is made and is compliant with the Lodge rules, a credit will be issued.
4. If a member uses Zelle for payments, the member is responsible for ensuring they know how to correctly use the Zelle application. High Life Ski Lodge, Inc. is not responsible for any user error, application malfunction, or security of the relationship between Zelle and your bank account.

To pay using Zelle, please follow these instructions:

Confirm the recipient information with the House-mom. Input this information per House-mom instructions.

In the comment section, (may be listed as "Reason", "Add a Memo" or something similar based on your banking or Zelle app), please list dates of your intended overnights (ie. Jan 4,5,6) and the name of the corresponding house-mom. Including this information in the comment section eases tracking for your payments. Please note: This field is **NOT** required by Zelle to execute a transaction....you must consciously input the requested information. See Screenshots below. Failure to include this information will result in a \$5 penalty to be paid to the Lodge supply bucket.

## LODGE GUIDELINES CONT.

**Note: Your bank or Zelle app may look different. These are for example only.**

Once you've completed the payment, please inform the house-mom. Optionally (if your personal banking information is not visible) you could additionally forward a screenshot or confirmation email.

**REMINDER:** Making a Zelle payment prior to receiving house-mom confirmation of your reservation or failing to fill in the Reason/Memo section of the Zelle transaction will result in a \$5 penalty.

Reservations are taken in person at Club meetings as per the dates on the Lodge schedule, which is posted on the Club Web Page (or you can ask a House-mom to email you the .pdf). After that meeting house moms will accept reservations by email or phone call only!! No initial contact with a House-mom via text-message.

Please call during reasonable hours of the day (hint: if you have to ask yourself if it's a reasonable time, chances are it isn't)...and remember that many of our House-Moms still work and might not be able to respond for several hours. Our House-Moms do their best to acknowledge your communication as quickly as possible, but at times an immediate response is not possible. If you'd like to go to the Lodge, please allow ample time for your House-Mom to get back to you. During your initial communication please include the following information

\*\*\*The High Life Lodge Committee loves our storm-chasers as well as those who love to spontaneously journey to Vermont. Please keep in mind that as you try to communicate with the house-mom, they may already be at the Lodge (especially if you are calling from Thursday-Monday). Please be sure to try calling the Lodge (802-773-9742) if you have difficulty communicating with the house-mom for your spontaneous plans.

## **LODGE GUIDELINES CONT.**

Your full name

2. Number in your group and composition (ie a couple, kids (ages), family, member or guest, etc) and their full names.
3. Date and day of arrival, the number of nights, and the date/day of departure
4. Your intended Payment method (Zelle, mailing a check, payment upon arrival, gift-card, voucher, etc)

-Below are some examples of the type of information that would best-help your communication with your House-mom. These are not intended to be all inclusive.... they're just samples.

### **Example 1**

Hello my name is "John Smith". I would like to arrive at the lodge on Friday, Dec 1<sup>st</sup> and stay for 2 nights, leaving the morning of the 3<sup>rd</sup>. I will be alone. If I can get bed XYZ, that would be great but will take what is available. I can give you a check upon arrival or mail to you. Thank you

### **Example 2**

Hello my name is "John Smith" My wife "Jane Smith" and I would like to arrive at the lodge on Friday, Dec 1<sup>st</sup> and stay for 2 nights, leaving the morning of the 3<sup>rd</sup>. Jane is also a member and we would like a couple's room if available. I can Zelle the payment and so as you can confirm. Thank you.

### **Example 3**

Hello my name is "John Smith". I would like to make a reservation for myself, my son "Adrian Smith", my brother-in-law "Steve Harris" and his son "George Harris". Steve and George are not members. We would like to arrive at the lodge on Friday, December 1<sup>st</sup>, stay for 2 nights, and depart on the morning of the 3<sup>rd</sup>. If possible, I would like all of us in one room. I can mail you a check or give you a check upon arrival. Thank You.

---

Once you have your assigned bed, you are not allowed to change your sleeping location without approval from your House-mom. This includes taking a perceived empty bed in another room or in the attic.

There've been a few occasions when we have had members arrive late at night only to find someone in the bed/room they have been assigned. Mayhem and chaos ensue.

As House Moms we do our best to facilitate your reservation and make your Lodge experience as enjoyable as possible. We take into consideration each scheduled member coming-and-going, changes of plans (extending/shortening their stay), groups that would like to bunk in the same room, short notice requests and overlapping stays that cover two or even three different House Moms. Eighteen hundred bed nights is awesome...but can be a bit to juggle...so please, talk to the House Mom before moving from assigned bed/room. We promise to do our best to help.

We thank you for your cooperation and look forward to a wonderful Spring.

The Lodge Committee.

## **NJ Ski Council Announcements, March 2026**

I'm always amazed at how many arm-chair skiers exist....those who talk but don't get out until they've missed most of the season. Two weeks ago, I skied at Camelback with several friends one of whom was having his first day skiing this season. With the recent monsoon of snow there is no excuse for not getting out.

### **NO IKON pass, NO Problem:**

For any on you without an IKON pass, I'd like to remind you that discounted lift tickets (vouchers) are still available thru HLSC for Killington and Pico. Log onto our website, go to the NJ Ski Council tab, download and fill out a Voucher Order Form and follow the directions to get yours.

### **Other Area Ski Resorts:**

Discounted tix are also available for Catamount, Montage and Stratton via the NJ Ski Council website: [www.njssc.com/discount-programs-membership](http://www.njssc.com/discount-programs-membership) discounts then click on the link for the respective mountain to obtain the discounted lift ticket.

### **Council Appreciation Days:**

Several ski resorts offer discounted days of skiing at various points during the Season. Mt. Snow in Southern Vermont and Whiteface in the Adirondacks both host such days. Log onto the NJ Ski Council website for a list of Appreciation Days for these two resorts.

### **President's Race (March 21 at Hunter Mtn):**

This race is held each March at Hunter Mtn. in honor of Stanley Sharaga who was a Past-President of NJ Ski Council for many years. The race was created after his passing (years ago) to honor his tireless efforts in building and furthering the work of NJ Ski Council. The Race is held for adults and kids and you do NOT have to be a racer to enter. This is a 'Team' event and scoring is different than in other races. The team that puts out the most racers has a better chance to win. For more information log onto the NJ Ski Council website and click the link for the Presidents Race on the right-hand side of the page. It's a fun race that is open to adults and children of NJ Ski Council clubs.

# APRIL EVENTS

**April 4**
