There's a pickleball event in Whippany, New Jersey July 10, and a golf weekend at the Lodge July 17-20. There was a Cape Cod trip June 11-18 and there will be another one September 10-17 (thanks Phil Uhler for organizing!).

It's time to renew your membership. Please do, and feel free to encourage other members to renew. Invite friends and family to join too.

The next Cape Cod trip is September 10-17. Contact Phil Uhler to sign up.

There will be no High Life Ski Club-sponsored ski trips this coming winter, for a variety of reasons. If you want to join a ski trip, check the excellent trips offered by the New Jersey Ski and Snowboard Council - go to NJSSC.org for details.

Summer is here!! As we welcome the month of July, we excitedly look toward a historic milestone—our nation's 250th birthday!! On July 4th we will celebrate two-and-one-half centuries of freedom and perseverance that has shaped our amazing country. The Lodge Committee hopes your celebrations are joyous, reflective...and SAFE!!

A fantastic way to celebrate the holiday is by sharing the day with your High Life friends on the Chittenden Reservoir. Join Andrie and Dave Young for a July 4th Kayak event in Vermont! In addition to your amazing day on the reservoir, you'll have the opportunity to enjoy a parade and fireworks, plus free music in Killington!! Jack McDevitt is the house mom...give Jack a call and enjoy a long weekend at the Lodge!!

The second Lodge work-weekend was held in June. Members were treated to some beautiful Saturday weather allowing for various outdoor projects to be completed. The back fire escapes were scraped and painted, various vegetation beds were weeded, the horseshoe pits were dug-out and sanded, the trash bin was repaired, railings installed on the back exit to the barn, and several other maintenance tasks were completed. Inside, several bathroom vent fans were cleaned, modified, or replaced. After a long day everyone enjoyed hamburgers and hot dogs from the grill and some lively conversation on the front porch. Thank you to everyone who donated their weekend to help our amazing Lodge!!

The Lodge Committee elected its officers during its June 23rd meeting. All of our officers were re-elected for another year. Congratulations to Chair Chris Cooney, Vice-chair Chris Moser, Maintenance-chair Ken Chodkiewicz, Secretary Kerry Klotz, and Treasurer Jim Ferrone! Help wish the Lodge officers success for the 2026/27 year!!

The Vermont golf event is scheduled for July 17-20th. Details are still being assembled...so keep your eyes on the Club webpage, social media, and emails.

The Summer Lodge schedule is included in this copy of the Sitzmark. Do keep in mind that adjustments can be made to the schedule as new events and activities are added. The most updated schedule is always available on the Club web page under the Lodge tab (page authentication is required to view the schedule).

As you visit the Lodge during the summer (for a ski club Lodge...we will say "off-season") and have the opportunity to enjoy a less-crowded Lodge, please continue to take care of the space, perform your chores, wash/dry/put away dishes, and vacuum your bedrooms. In addition, please do your best to not leave food or garbage loose outside. Also..if something breaks for if you have an issue, let your house mom (or any Lodge trustee if you can't reach your house mom) know as soon as possible.

Please read the updated guideline article included in the Sitzmark. This article is designed to help each of us navigate the Lodge reservation process. The guidelines continue to evolve based on feedback from members, Lodge Trustees, and Club Leadership. Please read the article and call me if you have questions. Thank you in advance!!

The Lodge Committee wishes everyone a Happy and safe July 4th !!
See Everyone Soon!!

-Chris Cooney
Lodge Chairperson

June 2026 Cape Cod trip

One word about that weather; Spectacular! It's rare anyone tries a dip in the pool, but this trip I counted as many as 12 in the pool at the same time. Frequent trips to the beach, fishing, multiple bike rides, whale watching, a lobster lunch cruise, a pizza party, and more lobster were some of the highlights capping our activities packed week. Golf and pickle ball, hikes and happy hours also filled out dance cards. Shout out to Joan for the forethought to bring her tent to add shade by the pool, Tim and Carol Reilly for their help during before and after Lobster night, Dale for the salad that same night.

LODGE GUIDELINES

Hello High Lifers!

With the increasing demand of Lodge use the Lodge Committee would like to streamline the communication process as it pertains to making Lodge reservations. This document is meant to be dynamic and will be continuously updated as we figure out what works and what doesn't. The Lodge Committee asks all members to take the below guidelines into consideration as you make your Lodge reservations. Remember...the key to an effective reservation is to have clear and comprehensive communication with your House-mom. As of November 1st, the Lodge will be collecting Winter rates for Lodge use. Please see the Lodge Rules and Regs for the current rates or ask your House-mom.

All reservations must be confirmed directly with a house mom before a payment is made. Failure to do so will result in a mandatory \$5 penalty to be paid into the Lodge Supply Bucket.

Guidelines for paying for Lodge stays through Zelle

For those who wish to utilize Zelle to pay for their Lodge usage, please be aware of the following guidelines:

1. **Members (only) can pay for Lodge stays and events electronically using the Zelle app on their mobile device.**
2. **NO ZELLE PAYMENT is allowed until after you've communicated with the house-mom and have a confirmation for your stay. If a payment is made prior to confirmation from the house-mom, a \$5 penalty will be assessed.**
3. **Zelle can ONLY be used for payments. No refunds will be made once a Zelle payment is confirmed. If a change to a reservation is made and is compliant with the Lodge rules, a credit will be issued.**
4. **If a member uses Zelle for payments, the member is responsible for ensuring they know how to correctly use the Zelle application. High Life Ski Lodge, Inc. is not responsible for any user error, application malfunction, or security of the relationship between Zelle and your bank account.**

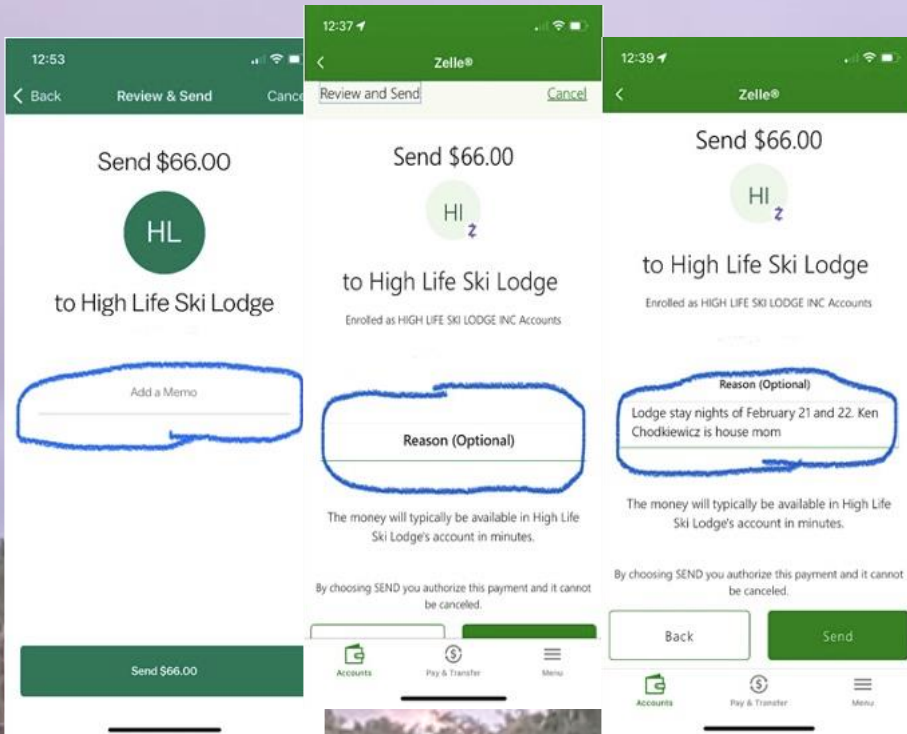

To pay using Zelle, please follow these instructions:

Confirm the recipient information with the House-mom. Input this information per House-mom instructions.

In the comment section, (may be listed as "Reason", "Add a Memo" or something similar based on your banking or Zelle app), please list dates of your intended overnights (ie. Jan 4,5,6) and the name of the corresponding house-mom. Including this information in the comment section eases tracking for your payments. Please note: This field is NOT required by Zelle to execute a transaction....you must consciously input the requested information. See Screenshots below. Failure to include this information will result in a \$5 penalty to be paid to the Lodge supply bucket.

LODGE GUIDELINES CONT.

Note: Your bank or Zelle app may look different. These are for example only.

Once you've completed the payment, please inform the house-mom. Optionally (if your personal banking information is not visible) you could additionally forward a screenshot or confirmation email.

REMINDER: Making a Zelle payment prior to receiving house-mom confirmation of your reservation or failing to fill in the Reason/Memo section of the Zelle transaction will result in a \$5 penalty.

Reservations are taken in person at Club meetings as per the dates on the Lodge schedule, which is posted on the Club Web Page (or you can ask a House-mom to email you the .pdf). After that meeting house moms will accept reservations by email or phone call only!! No initial contact with a House-mom via text-message.

Please call during reasonable hours of the day (hint: if you have to ask yourself if it's a reasonable time, chances are it isn't)...and remember that many of our House-Moms still work and might not be able to respond for several hours. Our House-Moms do their best to acknowledge your communication as quickly as possible, but at times an immediate response is not possible. If you'd like to go to the Lodge, please allow ample time for your House-Mom to get back to you. During your initial communication please include the following information

*****The High Life Lodge Committee loves our storm-chasers as well as those who love to spontaneously journey to Vermont. Please keep in mind that as you try to communicate with the house-mom, they may already be at the Lodge (especially if you are calling from Thursday-Monday). Please be sure to try calling the Lodge (802-773-9742) if you have difficulty communicating with the house-mom for your spontaneous plans.**

LODGE GUIDELINES CONT.

Your full name

2. Number in your group and composition (ie a couple, kids (ages), family, member or guest, etc) and their full names.
3. Date and day of arrival, the number of nights, and the date/day of departure
4. Your intended Payment method (Zelle, mailing a check, payment upon arrival, gift-card, voucher, etc)

-Below are some examples of the type of information that would best-help your communication with your House-mom. These are not intended to be all inclusive... they're just samples.

Example 1

Hello my name is "John Smith". I would like to arrive at the lodge on Friday, Dec 1st and stay for 2 nights, leaving the morning of the 3rd. I will be alone. If I can get bed XYZ, that would be great but will take what is available. I can give you a check upon arrival or mail to you. Thank you

Example 2

Hello my name is "John Smith" My wife "Jane Smith" and I would like to arrive at the lodge on Friday, Dec 1st and stay for 2 nights, leaving the morning of the 3rd. Jane is also a member and we would like a couple's room if available. I can Zelle the payment and so as you can confirm. Thank you.

Example 3

Hello my name is "John Smith". I would like to make a reservation for myself, my son "Adrian Smith", my brother-in-law "Steve Harris" and his son "George Harris". Steve and George are not members. We would like to arrive at the lodge on Friday, December 1st, stay for 2 nights, and depart on the morning of the 3rd. If possible, I would like all of us in one room. I can mail you a check or give you a check upon arrival. Thank You.

Once you have your assigned bed, you are not allowed to change your sleeping location without approval from your House-mom. This includes taking a perceived empty bed in another room or in the attic.

There've been a few occasions when we have had members arrive late at night only to find someone in the bed/room they have been assigned. Mayhem and chaos ensue.

As House Moms we do our best to facilitate your reservation and make your Lodge experience as enjoyable as possible. We take into consideration each scheduled member coming-and-going, changes of plans (extending/shortening their stay), groups that would like to bunk in the same room, short notice requests and overlapping stays that cover two or even three different House Moms. Eighteen hundred bed nights is awesome...but can be a bit to juggle...so please, talk to the House Mom before moving from assigned bed/room. We promise to do our best to help.

We thank you for your cooperation and look forward to a wonderful Summer..

The Lodge Committee.

NOTES FROM SKI TRIP CHAIR

It's the beginning of the summer and we have to think about and prepare for the 2026/2027 ski season. At this point, HLSC will not have a European trip until 2027/2028. This coming season will be all about DRIVING TO DESTINATIONS We will use our Vermont ski lodge for trips within driving distances and of course local day trips from New Jersey. This way people can use their IKON AND EPIC PASSES. Think about Camelback and Blue mountain resorts. Belleayre, Gore, Whiteface. Stratton, Killington, Pico, Sugarbush...New Hampshire, Maine. I will be sending out information about skiing day trips or other extended domestic trips through EMAIL BLASTS AND SITZMARK NOTIFICATIONS

FREQUENT SKIER CARD: You can ski Belleayre, Whiteface or Gore Mountain for a discount by checking their websites for information. Here's one that I checked.

<https://www.belleayre.com/seasonpasses/#tab+pass-perks>

COUNCIL TRIPS PLANNED: If your schedule doesn't permit you to join HLSC members lodge/ day trips, you may wish to take advantage of ski opportunities presented by the New Jersey Ski and Snowboard Council. Visit their website for ski trip details. Some of the HLSC members have signed up or are on the waiting list for the Mont Tremblant, Quebec, Canada driving ski trip.

July Sitzmark NJ Ski Council Announcements

NJ Ski Council is sponsoring several trips next winter as follows:

- 1) February 7 - 12/2027 - Mt. Tremblant, Canada: This trip is full and closed. There may be an opportunity via the wait list but officially the trip was closed when signups reached 150.
- 2) February 28 - March 5/2027 - Loon Mtn. New Hampshire
- 3) March 1 - 24/2027 Hakuba Valley, Japan: This is an Epic pass trip and includes skiing at TEN ski resorts. Several add ons are offered to different cities if you want to see some part of Japan.

The dates for this trip depend on what option you choose:

- 1) three days/nights in Tokyo returning home on March 24,
- 2) three days/nights in Kyoto and three days/nights in Tokyo returning home on March 27
- 3) three days/nights skiing in Niseko and three days/nights in Tokyo returning home on March 27

The biggest challenge arranging this trip has been the price of air fare. We've gone back and forth with United and although this is less expensive than our first quote, we're astonished at how much it has gone up relative to trips to Japan last year. We will try and rebook at a lower price as we get closer to 2027, however we can't make any promises. If you are interested in this trip, please log onto the NJ Ski Council website frequently to check for updates. If any are issued, I will also report them in the Sitzmark.

Note on Japan. The price will be high. Room choices range from US \$4K to \$5K. Airfare is not yet available.
